

## April Rose Barber

December 21, 2019 - December 4, 2021

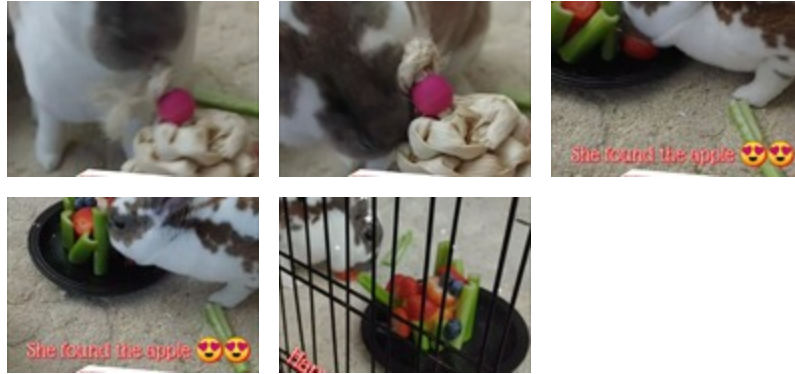

The tide goes out;  
the tide goes in;  
Sand washes away and  
Is brought back again.  
Everyday i sit here and  
Wish you were by my side,  
To dry my tears before  
They are swept away upon the tide

A mother is your first love,  
As her children are her last,  
A bond that stretches evermore,  
In the future and the past.  
There are other loves that join it,  
That spring up on either side,  
But still it lingers, constant,  
Ever flowing, like the tide

“ *For Bun Bun  
I only met you once bun bun  
I did not know you well*

*But when you're family shared their thoughts, I knew in love, they  
fell*

*I don't think you could ever know the joy you brought to all  
Tho you were only here a short time, your impact was not small*

*So here's a thought for you sweet Bun Bun  
As you hop along the bunny fields*

*The love in your families heart for you  
Will never ever yield.*

*In the words of Winnie The Pooh - "How lucky I am to have  
something that makes saying goodbye so hard."*

“ I can remember coming home from work and saying I know you don't have a bunny. I will say she truly grew on me. She did have a special place in my heart. I will miss her especially coming home and she's standing up looking at you when you talk to her. Rest in Heaven April.

I'm so happy i took that leap of faith for our family ma. She really is a great add in to our family. From the watermelon snacks to apples slices. Coming into the front room and you two cuddling and she giving you all the loving are some of the best memories i will cherish forever

“ She was rude and extra, but that was always forgiven by her cuteness and kisses.

*She will be missed. She had the best mom, sister, and grandma, who loved her dearly. She lived the best life a bun-bun could have lived, thanks to the love and care from her family.*

*The booboo blender/bender will forever live on in the hearts of those who loved her.*

“ April you will be greatly missed. Pops remembers both times when we came over, you would burrow into the couch and took hours to get you out. Or When I came over and you decided to chew on the clippers cord. Or when Brian would tap his belly and you would thump. Or my favorite is the type of music would make you happy. I love you bun bun. Until we meet again.
