“ *Our dearest April Showers, we love you with all our hearts.*

We loved all the time God allowed us to have with you, you truly were a blessing. You were a wonderful companion and big sister to Marley.

Daddy misses huggee time with his angel girl, mommy misses her quiet time with her poops, and Marley misses you always.

We know you are with Macy at the rainbow bridge and met Chin Chin.

You were and always will be a special part of our hearts.

*All our love,
Daddy, Mommy and Marley*
