April 12, 2018 - August 27, 2024

He was the best dog a person could ask for. Smart, loving, and my fishing buddy. He will be greatly missed.

“ He was a loving, smart and great companion. He was my fishing buddy. Bailey, you will be greatly missed. I hope you meet your sister Molly at the rainbow Bridge. You guys will have so much fun together. Your taking a piece of my heart with you. Goodbye for now.
