GG

“ *Bane was an amazing dog who I loved deeply. He will be missed more than words can explain. Bane was always ready for his walks and treats. Bane was like family. Even though he is no longer with us, he will always be in my heart* ❤️

NT

“ *Bane was an amazing dog. He touched so many hearts. He was always so kind and humble. He was never aggressive and always wanted to be around people. He loved being outside in the sun . I enjoyed having him over my house. My Children miss him too . I always called him BANEY BOO* ❤️
