

## Buttercup Mokrzycki

August 1, 2005 - February 22, 2023

Rest in peace, our dear, sweet Buttercup!

Buttercup came to us through a pet rescue from the Dogpatch pet store in Naperville in 2006. She was a transplant from Hayward Wisconsin. She was the most loving childhood pet you could ever imagine for Danny and Maggie. We are truly sad and heartbroken. While we will miss her forever, the beautiful memories will comfort us forever as well!

RIP Butter Cupper Nupper
