

Cricket Hill

April 2, 2008 - December 4, 2024

Cricket was a very special cat. She joined our family in Bolingbrook just before her 9th birthday, in February 2017. She lived a exciting life with Grandmother Mitchell through her younger years in Jacksonville, Florida.

There was a lot to get used to in her new Illinois home, namely the sound of that furnace! As Cricket grew accustomed to her new home, she educated her human staff on who was Queen of the Castle. She was particular about the company she kept, but allowed the young man if the house be the first two hold her.

As she grew into her senior years, she eased into a more relaxed attitude, not even being bothered by guests.

Cricket was a girl after our own heart, most easily illustrated by her nearly never finding a meal she didn't like!

Unfortunately, as the years rolled on, she developed health issues that she stubbornly fought to the very end.

Cricket, we will always love you and remember you!
