

George Miller

March 22, 2016 - February 20, 2023

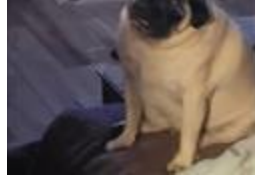

George, my Sable Pug, came into my life in an unusual way with his best friend Cotton, a White Pug. They were both approximately 3 ½ years young. George is a true Pug. Comical, loving, dedicated, loudest snorer, sneaky gas passer, and most of all, A LOVING COMPANION. He loved everyone. The younger children next door would come over all the time to play with the dogs, but George was their favorite. They would give him belly rubs, brush him and give him hugs and kisses and he loved every minute of it. George crossed into the Rainbow Bridge at a very young age of 6 years and 11 months young. He recently was diagnosed with an aggressive disease and hospitalized 3 times. As the internal vet stated, "GEORGE WAS A TROOPER". My heart is breaking but he gave me so much love. George's vet, Dr. Lehal at Brookville Animal Hospital, and I helped George cross over in my arms.

I WILL ALWAYS LOVE YOU "TROOPER GEORGE".
