

## JinJin Michalek

August 28, 2018 - January 1, 2022

JinJin was the best cat anyone could have asked for. He was a tricks kitty so he could do anything from sit pretty and speak to my favorite throw hands. He loved belly rubs and to sit on my lap while I played video games on my PC. He was a cat that wanted to be cuddled every moment of the day. He was a foodie who never would take off anyone else's plate
