

Kitty Ladaga

July 22, 2003 - April 19, 2022

On April 19, 2022, bathed in warm sunshine in the comfort of her home, with her mom and dad holding her in their arms, Kitty Ladaga returned back home to God.

Kitty's name may not have been unique but she most certainly was. She was a rare Egyptian Mau; she looked like a mini silver leopard.

As a kitten, she was gifted to her mom as a surprise birthday gift from her dad. Kitty accompanied her parents through many milestones: their marriage, the births of their 3 beautiful kids, and life in 3 different homes.

Kitty was fun, lively, and loving. She wasn't just a cat, she was an angel in disguise. Kitty was incredibly affectionate. We could always count on her to tuck herself under an arm, climb on a lap, or nuzzle her head against one of ours. Some of her favorite things to do included taking lazy cat naps in the sun, sleeping on top of warm floor vents, and doting on her family.

We think she was the best birthday gift ever but in reality she was a blessing from heaven upon our family. She was truly one-of-a-kind. She will be greatly missed and forever loved.
