“ I work with Jackie and wanted to express my deepest condolences to her and her family. I know how devastating it is to lose one of the sweetest, gentlest members of our family who give nothing but unconditional love to us. It is going to be tough for a while and the pain never goes away completely but may the remembrance of him and all the love he gave comfortable you doing this difficult time. I hope him and my boy Eeyore are running around together looking over us. We will see them again someday.
