“ One thing I know for sure is that you were very loved and will be missed dearly. Please take care of my little Roxy in heaven... she was taken at the very young age of 3 and will need you. She is a sweetheart so plenty of cuddle time :-)

“ Thank you for always keeping me in check when I would get in the way of you and Spike's play time, I have the gray hair on my hair that grew back after you bit my head, LOL!

We will make sure to chase all the people that walk in Mom & Dads back yard
