“ Princess,  
You have been in the family through good times and bad times. You celebrated with us with a happy wagging tail and kisses that said I love you. You comforted us all by offering your warmth when you cuddled up on our laps. You will be missed so

“ Princess,  
I know one thing I'll miss the most, and that's the way you used to greet us at the door. Rest in peace mamma and God knows that you were so loved by a wonderful family that will treasure you and your great memories!
