“ Rocky ! The biggest teddy bear ever! The entire family always knew the first thing coming into your home you were going to run up and say hi to us you were such a good boy and the best passenger to your dad I love you so much and I know your with your brother snicker now I know you both knew how much you guys were loved. You guys were more than pets you guys were family and will always be! I hope you both are running around eating the best Steak and bacon I hope you guys found my baby in doggie heaven and I hope you guys are all together having a blast running around all over the place without any pain! I will forever have you three in my heart and you guys will never be forgotten! Thank you for bringing so much joy to the family. Love you Irum pups ❤️
