“ I was fortunate to have a sleep over party with Roxy. She kept me on my toes by looking like she wanted to bite me the whole night. She never did which was good. She lived a long life and was a good pup...RIP

“ My girl Roxxanne! I don't even know where to begin. You have been around as long as I can remember and you've always been a positive light in my life. If it was you bringing me a chicken nugget in a sock, or you "stealing" my shoe, I loved every moment I had with you. Not a day goes by that I don't think about all of our adventures together❤️ Thank you for always guarding HQ & making my friends feel like they were part of the humans you loved. I have never met a stronger dog! Roxy Roxy the wonder dog, you will always have a super special place in my heart, I love you.

“ *I am so happy you came into my life. You were a true companion. There is a big hole in my heart without you Roxy. I will miss you. Everyone that met you fell in love with you except the air conditioner guy that you nipped at. You were an awesome guard dog. I am grateful that Kirk was able to share you with me, you were a true gift. You are loved and will be missed so much.*
