“ *Rubi was such a sweetheart. She was gentle unless taunted by her dog friends she was the boss. She was very loyal ,loving and protective. She was always ready to check everyone and everything out. She was a great companion to me. I miss her so,so much. She was my baby.*

“ *Rubi was my Aunts pride and joy!!! She was loved by her with all her heart!! Rubi loved her toys, and enjoyed her walks as she tried to chase the squirrels and bunnies. She was small and Feisty but also lovable and kind. Rubi will be missed. Praying for my Aunt that she may find peace on the lost of her loved one.*
