

Sam Parsons

August 9, 2024

Samantha was adopted January 2, 2012 from the Romeoville Humane Society. She was curled up in a box in her cage, turned away from anyone who walked by. Sam was approximately two years old when she came into our family, we couldn't leave her in that cage. At about 14 years old, Sam leaves behind her dog siblings - Jerzi, Sandee, Maverick, Dunkin, Echo & cousins- Mielah & Zara. Sam loved to play with lasers and feather toys, but her favorite thing to do was lay on the kitchen chairs & spank the dogs when they walked by. Sam was a himalayan/siamese mix, she was a sour patch kitty - sweet and sassy & affection was on her terms. She will be missed dearly by her family (James, Suzette, Jimmy, Gabie, Sammi and Santi). Until we meet again Kitty; on the other side of the pearly gates.
