

Snowy Noey Grover

December 22, 2012 - September 2, 2025

Snowy "Noey" Grover. 12yrs old. Very much beloved Fur Baby of Jennifer and Brian. Beloved fur sister to fur sister, Icey and fur brother, Little Rock. Fur sister to human brother, Anthony and his wife, Michelle. Very protective companion and food thief to Logan. Furry Grandgirl to Papa and Grandma. Furry goddaughter to Monk and Jake. Noey is so loved by many human aunts, uncles and cousins.

Noey loved going for long walks on her leashy with Icey and Rock. She also loved long car rides. While Noey hated being too far away from home, she loved going to Auntie Jill's house to be with her cat cousin, Boogs and running alongside the chickens. Noey was our Sassy Diva. Our Eskimo was very smart and had a mind of her own. She sometimes made you wonder if she was a human or fur baby. She opened the locks on the doors and opened the patio door to let herself out. She often got caught raiding the snack drawers and going thru the fridge. She did the "steals" on most food left out. She especially did the steals on Logan's snacks. She wouldn't come in unless she got a piece of bread or a pancake. Noey hated when Mommy or Daddy was on the phone or giving attention to another human. She would let you know it with her high pitch bark and wining. Except for Logan. She thought of Logan as her own and had to be right by his side.

“ Snow, you are truly going to be missed by me and especially by your mom. The story of how we met will be etched in my heart forever. The day your mom saw you for the first time is a memory that I will cherish. The amazing things that you did like open the cabinets, opening the doors for your sister, brother and yourself. Barking when people were on the phone so that you could have all of the attention. Helping yourself to any food left unattended. I can go on forever about special you are to me and your mom. Snowy Noey I love you and you and Posey watch over all of us. Snowy I will see you one day. Love Dad
