“ Winnie was a beautiful granddog who loved her mom so very much. She would light up when her mommy came home from school or work. She loved cuddling and going for strolls. I miss her so much, but know that she is running with Anastasia. Rest in peace dear Winnie. Thank you for coming into our lives. You taught us what unconditional love and loyalty is all about.

“ To dear Francesca and her family, it is sad to hear about little, sweet Winnie's passing. We know the Korbitz family is very sad at this time.

Francesca and her family should take comfort in the care that they gave her from the day they adopted her.

She was given a very lovely and caring family that she was blessed to have been given so much love and care. She will be missed each one of them of them and by her dog brother Bixby.

We will pray to St . Francis, Patron of animals, to bring peace to Francesca and her family. 🙏❤️

Love and prayers,
Your grandparents

“ *Winnie was the sweetest and most loving little angel. She loved to stamp for treats. She loved to beg for fries and hashbrowns. She loved to snuggle and cuddle. I will miss her terribly! ❤️*
