“ Sweet, sweet Zoey girl. You brought so much love and joy to our family. You sure were a grandma's girl through and through. You loved your naps, belly rubs and getting your pretty white coat all muddied up lol. You loved how the breeze would flow through your floof and going for walks with the girls. I know you're no longer in pain, seizure free and just running so freely on the other side of the rainbow bridge which I know your fur sisters and brothers were waiting to greet you so you can run and play freely again. We love and miss you very much Zo-Zo. Until we meet again, Rest peacefully sweet girl. 💔💔💔
